# About Themescene

Optoma are committed to designing High Definition Home Cinema projectors offering the very best in picture quality and styling with no compromise.

Only projectors exceeding our stringent criteria will receive the ThemeScene badge.

## High Definition – It is in the detail

You love the big High Definition pictures and you know that the magic is in the detail. ThemeScene shows you that detail.

ThemeScene High Definition offers a phenomenal display of crystal clear images with the deepest blacks, the brightest colours and a simply unforgettable viewing experience.

Sleek styling and whisper-quiet running enhances the formidable allure of the ThemeScene Range for those who desire perfection from High Definition (HD) Cinema.
